- Ladders:
- (2) 6' step ladder
  - (1) 8' step ladder
  - (2) 10' step ladder
  - (1) 12' step ladder
  - (1) AWP-20 Genie

**MEZZANINE THEATRE SPECIFICATIONS**

*\*\* All measurements based off of architectural drawings. These will be verified onsite over time. \*\**

**ROOM DIMENSIONS**

- 52'-9" depth (booth to windows) x 59'-3" wide, with one cement column towards the center of the room.
- Stage size varies depending on seating configuration. There are fourteen approved seating configurations.

**STAGE FLOOR**

- Masonite over three layers of plywood, painted black.

**GRID STRUCTURE**

- Dead hung pipe grid at 13'-5" with pipe spaced at 5' on center.

**WINDOWS AND SHADES**

- The windows on the exterior walls of theatre have been equipped with full blackout and partial blackout shades. All shades are manual pull.

**UNISTRUT**

- Unistrut is mounted vertically in the perimeter walls at various spacings (typically 4' on center). When perimeter velour panels are in use, some unistrut may not be accessible.

**BOOTH**

- Booth is equipped with windows overlooking the theatre with half the panes able to be opened
- TV monitor located in booth for use as a stage monitor, Decimator DMON-QUAD installed for multiview
- Lockable safe for valuables is located in the booth.
- Booth layout cannot be rearranged without approval by A.R.T./New York staff.

**PLANS AVAILABLE**

- Ground plans, sections, grid plans in VWX, DWG, and PDF format.
- We recommend that you do your own site survey

**DRESSING ROOMS**

There are two ADA-compliant dressing rooms accommodating up to 4-6 people each. Each is equipped with a counter, chairs, mirrors, one wardrobe rack, one Equity cot, and audio stage monitors. Each dressing room has a toilet room with a sink and shower inside.

### BACKSTAGE

There is a “green room hallway” outside of the dressing rooms with counter space and cabinets, and equipped with a mini fridge and a small microwave. All coffee/tea supplies, disposable dishes, and other perishables must be furnished by the company. A call board is available backstage near the dressing rooms.

### LAUNDRY

A shared laundry area is located in the Mezzanine Theatre. The laundry area is equipped with two washers & dryers, one iron and ironing board, and one steamer. All equipment is shared with both theatres, and laundry schedules must be coordinated with A.R.T./New York. The company must provide all laundry detergent, hangers, costume maintenance equipment and materials needed for the production. These items shall be clearly labeled and kept on a designated shelf.
