About A.R.T./New York

For more than 45 years, the Alliance of Resident Theatres/New York has cultivated an expertise in adapting to the needs of the city's non-profit theatres. As a leader in providing progressive services to our 400+ members, A.R.T./New York offers a wide range of programs at our three campuses: the LuEsther T. Mertz South Oxford Space in Fort Greene, Brooklyn; Spaces@520 in Midtown Manhattan; and the A.R.T./New York Theatres on 53rd Street and 10th Avenue. From shared office spaces to the nation's only revolving loan fund for real estate, and from technical

assistance programs to initiatives supporting Diversity, Equity, and Inclusion such as our Access and Body Autonomy programs, we continue to respond to challenges facing the theatre field. These programs provide hands-on support and a comprehensive infrastructure enabling artists to realize their missions and serve their diverse audiences.

Proceeds from A.R.T./New York's 2019 Gala will support our robust professional development, grant and loan programs, and affordable office and rehearsal spaces.
